Heavy Truck Mercury Convenience Light Switch Locations***:

*** For more specific switch location information call us.

Vehicles without trunks (i.e., SUVs, station wagons, hatchbacks) do not contain a mercury convenience light switch in the "trunk" or rear of the vehicle.

Developed with assistance from End-of-Life Vehicle Solutions (ELVS) and the Arkansas Department of Environmental Quality.

Virginia regulation 9 VAC 20-200 requires the removal of mercury convenience light switches from end-of-life vehicles.
